Manual:	CON	Contracting	Effective Date:
Volume:	I	Contract Policy and Information Manual (CPIM)	
Chapter:	A	Contract Policy and Information	8-31-2007
Subchapter:	1	Contract Negotiations and Revisions	
Issuance:	1.09.2007	The Acquisition, Affiliation, Consolidation, or Merger of a Provider Agency	Revised:

I. PURPOSE

The purpose of this policy is to establish Departmental policy and procedures regarding the continuation of a Contract when an Acquisition, Affiliation, Consolidation, Merger, etc. occurs with a Provider Agency.

II. SCOPE

This policy applies to all Provider Agency Contracts that are affected by Acquisition, Affiliation, Consolidation, Merger, etc.

III. DEFINITIONS

In addition to the defined terms included in the glossary of the contracting manuals, the terms listed below shall have meanings as stated.

Acquiring Organization is the business entity that acquires, affiliates, consolidates, merges, etc. with a Provider Agency.

Acquisition means the takeover of one corporation by another, if both parties retain legal existence after the transaction.

Affiliation means the association of two or more entities for the advancement of a specific goal or purpose.

Consolidation is when two or more corporations cease to exist, and by the same process a new one is created, taking over the assets and assuming the liabilities of merging entities.

Marketable Asset is any item of value that can be sold, bartered or traded.

Merger occurs when one corporation is dissolved and absorbed by another that remains in existence.

Transfer of Governing Board occurs when the Provider Agency remains intact, but assigns control or governance to a new entity or Governing Board.

Umbrella Organization is an affiliation among two or more business entities whereby each remains distinct, but joins to form a new collective directing organization. The new organization may be given management or service control, without acquiring the assets or liabilities of the existing entities.

IV. POLICY

- A. A Department Contract is not a marketable asset that may be purchased from a Provider Agency by another organization through an Acquisition, Affiliation, Consolidation, Merger, etc. Because a Department Contract is a negotiated instrument that establishes responsibilities between the Department and the Provider Agency, the Department is contractually obligated to the original signatory party(ies) only. If a Provider Agency is merged, consolidated, enters into any form of affiliation, such as an umbrella arrangement, etc., or is otherwise acquired by another organization, the Department is not obligated to honor the conditions, terms, or fiscal arrangements of the Contract or assume any of the liabilities of the Acquiring Organization.
- B. Department Contracts are not automatically assignable or assumable by the Acquiring Organization, and consent, in writing, for the transfer or Renewal of any and all contract rights is required from the Departmental Component(s) by the Acquiring Organization.
- C. Any anticipated change(s) in the corporate or legal status of a Contract signatory during the Contract term shall be transmitted, in writing, to the Departmental Component(s) at least 90 days prior to the intended change(s) or takeover.
- D. Whenever an Acquiring Organization acquires, affiliates, consolidates, merges, etc. with a Provider Agency, the Departmental Component may:
 - 1. Continue the current Contract with the Acquiring Organization and modify the Contract in accordance with Contract Modification policy [CON-I-A-1-1.10.2007](#).
 - 2. Continue the Contract on a conditional basis as stipulated in a Contract Modification, provided that the Acquiring Organization complies with all conditions indicated within the specified time frames established by the Departmental Component in the Contract Modification.

3. Terminate the current Contract based on an evaluation of the criteria and documentation submitted in accordance with Section V. of this policy and issue a Request for Proposal (RFP) according to Department policy [CON-I-A-1-1.04.2010](#).
- E. The Department reserves the right to issue a Request For Proposal (RFP) for any subsequent Renewal Contracts when an Acquisition, Affiliation, Consolidation, Merger, etc. occurs.
- F. Although title to all equipment purchased through a Department Contract rests with the Provider Agency, the Department's equitable interest in that Equipment does not end or diminish with an Acquisition, Affiliation, Consolidation, Merger, etc. In addition, the Department has the right to require the transfer of any Equipment directly to the Department or to an eligible non-state party designated by the Department.
- G. Failure to submit the documentation required as outlined in Section V. of this policy will result in a delay in the Departmental Component rendering a final decision on Contract continuation.

V. PROCEDURES
